CLARK'S STATEMENT.—Morehead, Ky., Oct. 24th, 1903.—Editor Outlook: I feel that it is due to the good people of both and the other counties in this judicial district, who signed the petition asking that my name be placed on the official ballot as the candidate of the Republican party for Circuit Judge of this district that I should make some statement, and explain the reasons why I thought as to how it was presented, and in order to do this I am glad to ask you to permit me to occupy some space, so for this purpose, by your valuable paper.

In my judgment the law is sufficient to enable any lawyer to succeed it. I do not intend to run in this year. I want to run in for you. Matters went this way until about six weeks prior to the election, when Mr. Wood sent me word that if I would give up he would get on the ballot by petition and make the race. After reflecting I wrote him that if he wanted to run I would be glad to go.

After reflecting I wrote him that if he wanted to run I would be glad to go. I was in favor of running a straight Republican and also said: "If you want to run I am for you." Matters went this way until about six weeks prior to the election, when Mr. Wood sent me word that if I would give up he would get on the ballot by petition and make the race.
